

ZKB eWealth

Our eBanking for professional and institutional clients

ZKB eWealth is aimed at external asset managers, custody and institutional clients as well as family offices. Thanks to state-of-the-art technology, you can manage your portfolios easily and clearly. You can access them online and issue instructions such as stock exchange orders.

Your advantages at a glance

Management made simple

Manage and analyse your portfolios the easy way. Stock exchange orders, collective orders, instructions for corporate actions and account transfers can be entered quickly. All bank statements are available electronically.

Everything in view at all times

With the dashboard, you have indicators such as open stock exchange orders, maturities and negative balances at your fingertips.

Individually configurable views

You can put together overviews and client groupings according to your needs.

User-friendly and safe

ZKB eWealth is web-based, simple, convenient and user-friendly. State-of-the-art technology ensures secure data transmission.
